

## The Snowflake Ice Rink

Wahlberg Construction from Iron River, MI started finishing the outside of the Snowflake Ice Rink this winter. They replaced the siding, installed windows, door, garage doors, and entrance roof porticos. More donations are needed from the community to help with the costs of finishing the inside and the stone work on the outside. For donations make it payable to Town of Land O' Lakes Snowflake Project P.O. Box 660 Land O' Lakes, WI 54540.

The skating rink is projected to be open late November thru March, weather permitting.

Upon completion the skating rink will also be available for rental for your special occasions. Fill out an application at the Town Clerks office at 4331 Town Hall Rd Land O' Lakes, WI. Fees will apply.
