

# Broadband is Here!

Land O' Lakes  
Broadband Grant  
**April 2017**

ChoiceTEL has the main fiber line activated and is ready to provide broadband internet and telephone services to the businesses and residents of Land O' Lakes along the main line route.

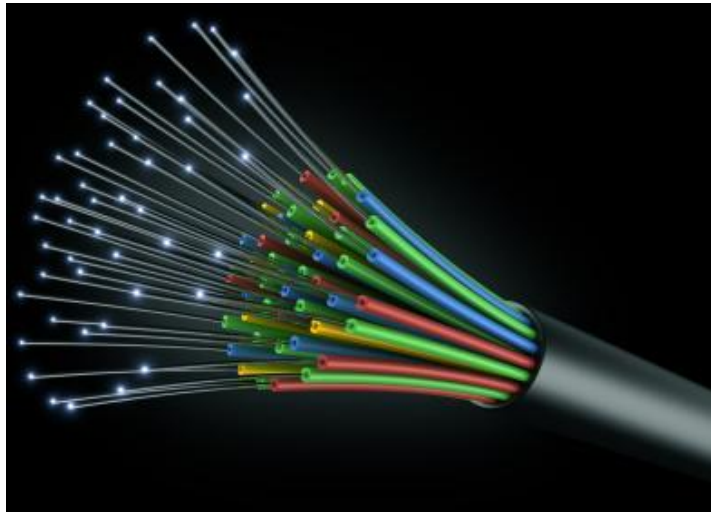

---

*“The ChoiceTEL crew has been working all winter to get the main line live, way ahead of schedule.”*

---

## **Main Fiber Line is Live!**

The ChoiceTEL crew has been working all winter splicing and testing the main fiber line and setting up the communication huts with equipment. The project is running way ahead of schedule.

---

*“We have tested all the connections and are ready to go.”*

---

## **Telecommunications Huts Complete and Testing is Done!**

The communication huts are complete and all equipment is installed and tested.

---

*“We are looking forward to servicing the Land O’ Lakes area with fiber optic broadband service.”*

---

## What Is Next

It’s time to start hooking up customers along the main line route. The customers that have pre-signed up last fall and had drop cables installed will be called by ChoiceTEL to set up appointments for installation of their phone and internet service.

## What ChoiceTEL Has to Offer

ChoiceTEL offers high speed internet service in the Northwoods.

- **Unlimited internet usage:** No more worrying about running out of data
- **Keep your same phone number:** No matter who you currently have service with ChoiceTEL can port your phone number for free
- **Brand new fiber to the home network:** Fiber to the Home means your internet and phone always work no matter what the weather
- **Locally owned and operated company:** When you call ChoiceTEL you talk to a real live person right away, no waiting on hold or annoying phone trees to navigate
- **Same upload and download speeds:** With a symmetric internet connection you get the same upload and download speed.
- **All-digital fiber network:** ChoiceTEL has an all-digital fiber network from your house to our office. This means that your connection speed to ChoiceTEL can never be affected by our other customers or the weather.
